Youth Volunteer Corps

Youth Volunteer Corps (YVC) is a national organization that spans twenty-three states and Canada.

YVC’s mission is to:

“Create volunteer opportunities to address community needs and to inspire youth for a lifetime commitment to service.”

Youth Volunteer Corps has four fundamental goals:

1. To engage youth in service projects that are challenging, rewarding and educational.
2. To serve unmet needs of the community and its residents.
3. To promote among youth a greater understanding and appreciation for the diversity of their community.
4. To promote a lifetime ethic of service among youth.
