**Note: This form is for volunteers ages 17 and under. Volunteers ages 18 and up should fill out an adult volunteer application.** Volunteers must be 16 years or older. Youth volunteers (age 8-15) must be accompanied by a parent/legal guardian at all times when volunteering. Volunteer paperwork must be on file for both youth volunteers and their volunteer partners.

Heartland Humane Shelter & Care is a full-service, open-admissions shelter where, on occasion, euthanasia of unhealthy, unsocial or temperamentally unsound animals occurs. We urge you to think about how you will deal with this reality before becoming a volunteer. While we are saddened by this situation and handle all cases with professionalism and privacy, we always communicate openly with any request for information from volunteers of the general public regarding the outcome of an animal staying with us.
